## **PRAYER**

We pray for all in our fellowship and in our families who are struggling, particularly those in hospital or who have suffered bereavement, asking that all might know the surrounding love of God.

We pray for the new monthly Family Service: that it will be greatly blessed and that, together with the work of Messy Church, we would be able to show the love of God in our community.

### **Autumn Prayer**

Dear Loving, Father God, as the season changes and we enjoy the beautiful colours of autumn, there are other changes which we don't enjoy.

Changes we cannot control; changes and suffering in the world, beyond our comprehension; changes to our work routines, or health, or circumstances; changes which cause us anxiety and uncertainty.

When everything seems to be falling around us like the autumn leaves, help us, Lord, to remember that you stand firm.

You are our rock. You never change. You are always faithful, always with us, as we move into each new day and each new season.

Thank you for loving us so much that you gave us Jesus, so that by putting our trust in Him, we can know the security of your love, for ever!

In His name, we thank you, Sovereign Lord.

Amen.

## VIEWS FROM THE PEWS !

### Sorry

I'm sorry to say, and I apologize for not being at the church AGM, but I shall be away at the seaside with son and daughter-in-law and family. But I hope most of you members who are able will attend. I know we are not all academic and not as quick to tune in to it all, but we are I am sure eager to encourage Zoltan and our Deacons to carry on and do the best they can. God bless. There's an old saying (from my Mum)

'Live Well,  
Learn Plenty,  
Laugh Often and  
Love Much'.

### We did it !

Yes, we attended the first of EBC's new Family Services, with a little trepidation, not knowing quite what to expect, but wanting to show support, and we actually enjoyed it 😊 😊 Several lively children came along with their Mums, and some of our older Junior Church members - and how they have all grown-up during the last 18 months! It was a bit noisy at first of course, but soon settled down, and Zoltan kept everything really well controlled, continuing our themes in Exodus with the children climbing the 'mountain' of beanbags to collect the Ten Commandments. And who knew that our guitarists Larry and Peter could play and march at the same time?! We pray that this new venture might be blessed and that more families will come along ... and it doesn't hurt for we oldies to have fun too!
