## **PRAYER**

We pray for those in our church family in hospital at present following operations or treatment. We ask they and their families would know the peace of God surrounding them and might experience healing and restoration. We pray for the medical staff who are treating them.

We pray for all areas of the world where there is war or unrest, and for those places suffering famine and the ongoing threat of Covid-19. We pray that all governments would act with integrity and for the good of all in dealing with these difficult issues. We remember all who are killed while carrying out their civic and governmental duties, in particular this week thinking of British MP David Amess' family following his tragic murder.
