PRAYER

We pray for all in our church family, especially those who are unwell. May all know healing and the peace of God surrounding them.

We give thanks for the life of Her Majesty the Queen: for her loving and faithful service to our country, and for her Christian faith and integrity. May we show the same spirit of service, committing our lives to God and living as His witnesses: showing the love of Jesus in all that we do.

TOMMY'S DEDICATION SERVICE

Tommy was dedicated at our service on 22nd May and we were delighted to welcome him and family and friends to EBC, parents Bethan and Innis and brothers Riley and Abel sharing in his special day. Tommy is Nick and Jackie's grandson. We pray that he will grow in the knowledge of God's presence, love and blessing throughout his life.

EBC NEEDS YOU!

We have a paid cleaner for the church hall, kitchen, and toilets but we rely on volunteers to keep the church clean.

One member regularly cleans the church. This doesn't seem right, so we want to create a rota so that the burden is spread.

The church is vacuumed each week after Eynsham Larder deliveries have gone out. This means that the church needs a more thorough clean about twice a month.

Please let Sheila Wood know if you can help with this.

CHURCH MEETINGS

There will next be a church meeting on Sunday 17th July. After agreement at the recent Church Meeting the September and November church meetings have been combined and that meeting date will be Sunday 23rd October.

BRONZE UPDATE

Here is a short report from Sam at Bronze about a young child severely scalded this week. He points out that they were only able to treat her because of the regular support Bronze receives from EBC towards the community assistance fund, Taasa Obulamu. If anyone else would like to make an occasional or regular donation, please talk to June or Larry.

*Sam writes " a little girl was thrown into boiling water by another child from the neighbourhood while they were playing The mother brought her here 4days ago ... Today she shows signs of improvement. The mother has 3 other kids who have been sent away from school due to lack of school fees. This girl is one of the biggest beneficiaries of the TAASA Obulamu fund It would have been hard to save her life ... We're so grateful to whoever is participating in this essential project . Blessings!
