## **Golden Oldies Again**

Last Sunday afternoon I organized a  
reunion for all the girls who from 1970  
plus did WI floats, concerts, dancing, all  
for cancer and other charities. Although  
a few didn't attend, all of us there had  
plenty to say and laugh about those  
good old days. If only we had the  
stamina now we had many years ago!  
Great fun.

**Chris Ward**

We pray for all in our church family, and among our own families and friends, who are suffering the recent loss of loved ones. We pray for God's comfort and peace, knowing that He hears and will answer more than we can ask.

### God's Care

How brief is our span of life  
compared with the time since  
You created the universe.

How tiny we are compared with  
the enormity of Your universe ... yet  
during every minute and every second  
of our lives You are present,  
within and around us.

You give your whole and undivided  
attention to each and every one of us.  
Our concerns are Your concerns.  
And You are infinitely patient  
with our stupidity.

I thank you with all my heart ....

### ***Fulbert of Chartres*** (c.970–1028)

son of a peasant family in northern France, he rose to become Bishop of Chartres, renowned for brilliant sermons. A powerful man, but his prayers reveal keen appreciation of how fleeting worldly success can be ....
