Creator God, you made the earth and all that is in it. Forgive us for the times we have taken the earth's resources for granted and wasted what you have given us. Transform our hearts and minds so we learn to care and share. And we pray for that day when everyone has all they need.

\*\*\*

We hold in prayer all members of our church family, particularly those suffering ill health at the moment, or who are facing difficulties and anxiety, praying especially for Zoltan and family. May all know God's peace and loving presence.

\*\*\*

**Thank you Lord** for hearing me

**Thank you Lord** for knowing who I am

**Thank you Lord** for seeing me;

It's so easy to get lost these days

In the shuffle and the noise.
