Lord help us to endure things we
cannot change;
To be strong in our faith;
Trust you in our weakness
and sadness;
Allay our fears.
May we see past ourselves
and be a blessing to someone
each day.

Chris Ward

We pray for all who are caught up in conflict and war around the world, in particular this week thinking of those in Israel and Gaza. We pray that humanitarian aid will be able to get through to those who are suffering, and that peaceful solutions will be found to bring an end to the fighting.

We pray for those members of our church family who are really struggling with pain and illness at the moment, particularly some of our older members. May all know healing and comfort.
