Thank you so much, EBC family, for all your expressions of love and care, and all your prayers this week for our family. It has been a very tiring and somewhat overwhelming time for us, and we have been very grateful to know that we have been covered in prayer.

We have seen God's miraculous healing for Will physically. He is now home from hospital! There is still a long way to go as he recovers in others ways from his brain injury. Please continue to pray for complete healing and a return to 'normal' for Will, and for patience, strength and grace for our daughter, Cara, and the children. (Ella-13, Jonah-12, Luke-10).

Thanks.

Steve and Janet

Harvest Field

All around, confusion, all around, helplessness, people lost in the bad news of every day. Longing for purpose, searching for security and significance here in the white (*harvest*) field of our generation.

The harvest is still great, the workers are still few, but the Lord of the harvest is the same yesterday, today and forever, and this is His field.

He planted, He will give growth if we will be His workforce and go out into the field – where He already is – to gather the harvest of His kingdom compassion.

Lord of the harvest, in Your grace, we pray, send us.
