This Prayer was originally written in 2020 during lockdown, but is still very relevant.

Need for healing

Heavenly Father, we bring to you all those struggling with their mental health just now.

We pray: For everyone who is smiling, when inside they're in pain.

For everyone who is saying they're fine, when inside they feel drained and empty.

For everyone struggling with fear and worry as the easing of the lockdown brings new anxieties.

Be with them in their suffering, as so much of their world has been stripped back and emptied.

When loved family and friends have been taken by illness, or made distant by lockdown.

Pour your healing balm into their pain and sadness.

May you walk with them besides still waters.

May you speak to them in a still small voice.

May you heal them, and fill them, and bless them with your abundant love and fullness of life.

And may they know that they are loved by you for the beautiful unique person that they are, created in the image of their heavenly creator and loving Lord.

In the Name of the Father, the Son and the Holy Spirit,
Amen.

Revd Peter Crumpler

Church of England priest in St Albans, Herts, and a former communications director for the CofE.

News from Reading!

Zoltan and family are settling in well at Abbey Baptist Church and keeping very busy! They send greetings to everyone at EBC. They wanted to let us know that Patrick is going to be baptised on 30th November and we send our love to him and pray he will have a very special day. May he always know God's presence and leading in his life.
