Sunday 7th June & September 13th REVIVE EYNESHAM !

For those of you who didn't attend 'Revive' on Sunday you missed a very uplifting evening of the Christians of Eynsham coming together to praise and worship and pray for our village. It was a time of good fellowship and encouragement and sharing across the three churches here and in Cassington. Please do come and join us next time on **Sunday 7th June** and **Sunday 13th September.**

Pamela

PLEASE PRAY FOR:

- **Larry, Nick G. Audrey, Gary, Jane, Sue L. Norma, Chris W. Margaret, Mary S.** and others in our church family who have health and or mobility issues to deal with. Please also pray for their families as they too deal with anxieties and concerns.
- Those in our church family who are concerned about family members, that situations will resolve soon and all would have peace in their hearts.
- **Kimberley** as she starts her youth work course. May she be greatly blessed in her studies.

Larry commenced his chemotherapy last week and welcomes anyone who would like to call in for a cuppa and a chat.

THANK YOU

We would like to offer our sincere thanks for the kind and anonymous gift we received last Sunday and also for all the love and support we have received from everyone else in this church.

Barbara and Malcolm

FLOWERS IN CHURCH

It is lovely to see the flower arrangements in church each week and we thank Jane for her hard work. We must also thank Denise who has stepped in and done the arrangements for the last few weeks while Jane has been ill. It is easy to take for granted, but they really enhance our Sunday morning worship. The flowers are shared out after the service to different people each week who perhaps have a birthday, are ill, going through a tough time or '*just because*'.

Did you know that anyone can ask for an arrangement to be done in remembrance of a loved one, to celebrate a birthday or wedding anniversary, or just because you like to see flowers in the church on Sundays? **Please speak to Jane** if you would like her to do an arrangement for you - there are spaces on the list until the end of this year.

And finally, something to raise a smile ... well it made me laugh! Ed.

When technology goes wrong

The father of a family - who was a big-time techie - got his oldest daughter an iPhone for her birthday. He also got an iPad for his son. Later he bought an iPod for the youngest daughter. Then, when his wedding anniversary rolled around, he got his wife an iRon.

That's when things went wrong
