All in our church family who are struggling with their health at the moment: those having treatment, suffering broken bones and sprains and those with long term health issues.

Meditation on the Good Use of Sickness

Lord, you are good and gentle in all your ways; and your mercy is so great that not only the blessings, but also the misfortunes of your people are channels of your compassion. Grant that I may turn to you as a Father in my present condition since the change in my own state from health to sickness brings no change to you. You are always the same, and you are my loving Father in times of trouble and in times of joy alike.

Blaise Pascal (1623 - 1662), mathematician and scientist

PLEASE BE CAREFUL

Please everyone be careful and alert. I've had several scams recently which have left me feeling shaken. They were not large amounts but are still very unpleasant. Get onto your bank straight away number at the back of your card who will help sort it out. Thanks to everyone whose supported me.
